Dedication

A special thanks to our class advisors, Ms. Courtney and Ms. Cranska!

The class of 2006 would like to thank Ms. Courtney and Ms. Cranska for all of their hard work and dedication over the past four years. Our advisors spent countless hours making our high school years memorable. The four Winter Carnivals were a highlight as were the Junior Prom and the Senior Semi. All of these events would not have been possible without our wonderful advisors. Thanks to them we all have four amazing years that we will never forget!

Thanks to...

the class officers for all of the time they put into the class of 2006!

President: Alicia LaCroix
Vice President: Lindsay Hebert
Secretary: Chris Brousseau
Treasurer: Jordan Belliveau

The class officers spent so much time working to ensure that the class of 2006 had a great year. Everyone had fun on the boat at the senior semi. The senior supper was another memorable night. Then came Graduation, the day that we had all looked forward to for so long. We take with us so many memories that will last a lifetime!

Moving on our way
Now there's been hard times
As the road unwinds
We've grown closer

We promise we will never forget the message
Keep the faith as long as you're here

2005 brought another winning season to the MHS football program. With a record of 9-2, the Woolies were only one win shy of a Super Bowl berth. In both of the losses, the team was just one point shy. The big story of the year was the Millbury defense which allowed only 103 points to be scored against them, a MHS record. Early in the season, the defense often bailed out the offense, especially in a last minute win against Bartlett. Besides the great record, another major achievement of the '05 Woolies was beating Northbridge 28-17, for only the 4th time in over five decades. The year was filled with many achievements by the seniors on the team. Captain Jordan Belliveau and junior Carlos Sanchez were awarded with T&G All-Star and Central Mass Superteam. Captain Ross Ogilvie, seniors Steven Rodriguez and Kyle Sudar also were awarded the T&G All-Star. The seniors, Jordan Belliveau, Ross Ogilvie, Tom Romano, Mike Ahearn, Ryan Boutilier, Sam Fiore, Keith Gasco, Dan Glennon, Tim Gordon, Ricky Hall, Mike Keany, Cody Krumsiek, Ryan Moore, Josh Nicholson, Joe Pacheco, Steven Rodriguez, Kyle Sudar, Tom Ward, Pat West, and Ian Wildman leave with a 30-5 record on varsity.

Fall Cheering

Fall cheerleading is one of those seasons that all the girls look forward to. Standing on the side-lines and cheering on the boys is definitely one of the most fun parts. We love being right in the midst of all the action, screaming and yelling and reminding some of the other girls how to actually play the game. Along with all the hard work that we put into the games, we put a lot of work into practices. Competitions are important for everyone on the team. They are exciting, stimulating, and moving. We put a lot of tears into a routine that we work on until it's perfect. Everybody does what they need to do, to make the team as best as it can be. Car washes and sleep overs make the season enjoyable for everyone. Inside jokes and "crazy hair" days are what make the memories. We take these memories with us throughout our lives and apply them to the things we learned throughout all of our years cheering for Millbury High School. Thank you to all the girls who made being a part of this team an entertaining and amusing couple of years!

Winter Cheering

The girls involved in winter cheerleading had a great season this year. They had a good time cheering on the basketball team and getting the crowd excited about the games. Along with a successful competition season it was a great time for the girls to bond and make new friends. Everyone worked hard to perform to the best of their ability. All of the time spent practicing really paid off and kept everyone in top shape. Thank you to all the girls who made this season possible, and who made it a memorable and fun season! Everyone is looking forward to next year.

Although the past years of the Girls Varsity soccer teams have not been very successful record wise, this year was a complete turn around in every sense of the word. The team came together as a whole, and really started to click as a group. The team even began to break some records. They started winning games and accomplished some things that had not been done for many years. The season progressed and all the girls picked up their levels of intensity. They tied a big game against Uxbridge, which qualified them for the District Tournament. In the Districts, the team won their first game against Clinton, but unfortunately lost in the second round to the State Champions, Nipmuc. Regardless, the team has changed drastically and definitely for the better! It appears that next year will be just as great as this season, and the team will continue to make the school proud. Congratulations to Julie Murray, Hannah Moriarty and Andrea Panzera for being awarded as Central Mass All-Stars. The seniors wish the other girls a successful season and all the best of luck next year.

For the boys soccer team, this year was a growing year. The team did well for most of the year but there were some let downs. The team was made up of 4 seniors, 8 juniors, and 8 sophomores. The team had many important players that were instrumental to their success but some went out with injuries and other health related complications. There were only 6 games out of the 18 where the team had a full squad. The team was kept alive with the good humor of the seniors. Three of the captains, Chris, Joe, and Neal, were all instrumental in keeping the group awake and doing the things the team was supposed to do. Jason, the other senior, was the humor of the team. He could always make the team laugh. The team has high expectations for the following years.

The X-Women started their season off strong, with a close win against Tantasqua. The girls practiced hard and after their victory against Grafton, they were in the running for the league title. Despite their best efforts, the girls lost against rivals Uxbridge, finishing their regular season with an outstanding league record of 10-1. The X-Women came in third at the league meet and finished up their season at the District meet in Gardner. Season highlights include JennaKay Boucher setting the new home course record in 19:13. Jenna was also named a South Worcester County League All-Star. The X-Women, whose oldest team members were only Juniors, look forward to returning next year to snatch the league title.

The boys team had another rebuilding year, but are consistently getting stronger. Despite the fact that there were no seniors on the team this year, the team was carried by several strong freshmen and sophomores. As a result of weeks of long, tough practices consisting of endless runs "to the middle of nowhere", the team had a few hard-earned victories. Among the accomplishments of the team this year were the several course records set by freshmen captain Timmy Mazeika. The boys trained hard and did their best, with a good showing at the league meet. Needless to say, such a strong team can only keep getting better. Next year the team hopes to come out with a better record and they will train hard in the off-season.

The team went into the season with a positive attitude during their second year with Coach McKeon. Having had a tight season last year, this year the team went all in with an attempt to beat last year's record, go to districts, and win at least one district game. They lost the first game of the season and the team went in at a slow start. Coach McKeon never failed to pick up the spirits of the girls which definitely helped them make it to Districts. The team reached their goal and won their first district game against Assabet. With such a young team, everyone did a great job and never failed to amaze Coach McKeon with their ability. Even in losing many players to injuries, the team never gave up. The two seniors would like to wish everyone on the team good luck next year and say thanks for everything!

Remember last year when we said that the golf team was going to have a year that everyone was going to remember? Well guess what, we did. We were the first Millbury team ever to win districts and the first since 1978 to win SWCL. Although we did not have a perfect season, we still compeated in one of the biggest, and most important tournaments, and we won them in style. Districts was tight, but we ended up winning by one shot. At the SWCL tournament, Millbury dominated against the other teams. Jeff Santora won the individual title, and the team won by 8 shots. Jeff Santora, Brian Jenkel, and Jake Hubley won the league All-Star. Brian Jenkle was also named T&G All-Star, while Jeff Santora made front page of the T&G. We had one of the most successful seasons ever. All the members of the team contributed, and the seniors of the team, who have been playing throughout high school, will surely miss the experience.

The 2005-2006 Lady Woolie Basketball season was one that no one on the team could ever forget. Before the season, all the girls worked hard to get in shape and play together. When it came to the first day of practice, everyone on the team arrived ready to play. All the girls on the team had been playing together since pee wee basketball and there was great chemistry. The captains of the squad were Lindsay Hebert and Rachel Erickson. Lindsay and Rachel showed great leadership for the team, especially for the first year varsity players. Throughout the regular season, the girls won 13 games to make it into districts where they faced Clinton High School. The girls beat Clinton on a Friday night to make it to WPI to play their rivals, the Oxford Lady Pirates. The game against Oxford proved to be a tough loss with Millbury losing by only 4 points. Although it was a great game, it was truly hard for the rest of the team to realize it was the last time they would be playing with their captains whom they had been playing basketball with for years. The team would like to thank Lindsay and Rachel for so many years of hard work and dedication and also to Mr.. Reno for putting up with a bunch of girls for months at a time.

The 2005-2006 Millbury boys varsity basketball season turned out to be very successful. From the first day of practice to the last, the players worked hard every day and were motivated to have a great season. The team finished with a strong 12-7 record at the end of the regular season which gave them a spot in the Clark Tournament and qualified them for districts. Making it to both the tournament and districts was a great accomplishment. The team also almost advanced past BMR in a hard fought game at Clark and put up a strong fight against Groton Dunstable in the districts. The team was led by captains Chris Dupre, Steve Rodriguez, and 1,000 point scorer, Neal Morrissey. Other key seniors who had a great year were Cody Krumsiek and Joe Kosiba. The season set high expectations for the future of Millbury Basketball and the future looks bright. The team hopes to end with another successful season next year. The girls indoor track team had another strong season this year and managed to defeat their rivals, Uxbridge. However, the girls lost to Grafton by only a few points despite their best efforts. Not to be discouraged, the girls continued their hard work and managed to come back at League Meet to steal the trophy. SWCL All-stars included Jenna Kay Boucher, Steph Crain, Deanna Flaherty. Steph Crain, Christina Merulla, Deanna Flaherty, Jenna Kay Boucher, and Kayla Berube all qualified for the state meet in Boston. The girls were still a young team, with only one senior, shot putter Erin Godfrey. They would like to thank their coach, Mr. Sutphen, for listening to them and having patience. Next year, the girls are relying on seniors Kayla, Christina, Steph and Jenna with help from underclassmen Kim Boulavong, Rachel Wall, Laura Chapman, and Alicia Setaro to win it all!

Despite what their record may show, the boys indoor track team had a very successful season. They showed huge improvement and strength at the meets, led by key runners, both veterans and newcomers. The team maintained a positive attitude throughout their training and enjoyed practicing just as much as competing. The boys were pleased to work with Coach Sutphen, who allowed them to reach their potential on the track and still have plenty of fun. Seniors Mike Berube and Ryan Boutlier placed 3rd and 4th in the 600m at League Meet, and 2nd and 3rd at Districts. Junior Jason Tarantino led the team with his incredibly fast times in the 50yd dash. State qualifiers included Mike Berube and Ryan Boutlier in the 600m, and Jason Tarantino in the 55m dash. Tarantino unfortunately lost his fight for first place by a technical disqualification. He and the rest of the team look forward to a very strong season next year.

This year's softball team was able to match the record of last year's team with an ending record of 16-7. The team was led by senior Becky Johnson and senior captains Erin Godfrey and Arianna Bernard. Despite the roller coaster ride they had this season, the girls were still able to make it to the district semifinals where they faced Hudson, the number two seed. It was a hard fought pitcher's duel, but unfortunately the win went to Hudson when they scored one run in the bottom of the seventh inning to win 1-0. Before making it to the semifinals, the girls beat Bartlett in the first round, and Uxbridge for the first time in eight years during the second round. The senior girls would like to thank the coach, Ms. Mederios, and also Kaycee Richards and Michelle Desrosiers for volunteering all of their time. This year the boys baseball team had a record of 15-6 and was lead by senior captains Jordan Belliveau, Neal Morrissey, Cody Krumsiek, and Steve Rodriguez. Although the team started out with a loss, they were able to bounce back with 12 wins in a row. The team had great chemistry, with many of the players having been together since the junior varsity years. They were able to come to the varsity level and still communicate with each other and work together. Everyone worked hard during practice and during the games and always gave 100% effort. Throughout the season, the players suffered a few hard losses, especially in the games against Auburn and Grafton. But overall, they came out with a winning record and had a good season. Next year the team hopes to do even better and come out with an even better record. Many of the returning juniors have been working hard and hope to lead the team to victory next year. With a number of returning players, the baseball team has a chance of having a great season next year. The seniors would like to thanks their coach and wish the younger players good luck next year.

Captains

Throughout the years Millbury's track team has been known for not having a track. But this was a year of changes. The team's goal for the season was to win the title of SWCL Champions, and after losing to Grafton by two points, they would have to defeat rivals Uxbridge to create a three way tie for the championship. The girls rose to the challenge, crushing Uxbridge on the new Millbury track. With a record of 10-1, the girls also had many individual top performances at the league, district, and state competitions. Freshmen Erika Higginbottom, in triple jump, and Kirsten Orrell, in shot put, broke school records. Stephanie Crain, Jenna Kay Boucher, Amma Agyeman, Kayla Berube, Jill Perkins, Amy Meikewitcz, and Kristin Orrell were named SWCL All-Stars. The girls would like to thank Coaches Digangi, Boria, Sutphen, and Reidy for their help, and they look forward to many more years as champs! The captains wish the team the best of luck next year.

Boys Track

Led by strong veteran runners, as well as promising newcomers, the boys team had a very successful season. Seniors Mike Berube, Pat Widen, and Ryan Boutlier helped create a solid mile relay team, eventually competing at the state qualifying meet. The boys also had a respectable 400 relay team, led by Dave Nyce, Jay Tarantino, Justin Tervo, and Dan Miranda. Long distance runners Tim Mazeika, Eric Thulin, and Jimmy Goyette brought in plenty of points thoughout the season. Coach Reidy contributed to creating a successful group of hurdlers and jumpers, with lots of potential, which included young stars Nial Luu, Chris Naff, Tom Murray, and Brian Nelson. What is more important than their record, are the many memories the team shares, from making new names for Coach, to carrying their self-made banner. The boys would like to thank Coach Sutphin for laughing with them, and always having patience. The senior captains were sure to keep every practice and meet tons of fun, and they will truly be missed next year. The team looks very promising, and the boys will definitely be a huge threat in the league and district in upcoming years.

I held him in my arms on the day he was born
And dreamed about his future
and the things that he would learn
Now he stands before me a boy almost a man
I find myself reluctant to let go of his hand
But nothing can diminish the pride that's in my heart
Least of all the knowledge that it's time for us to part.
So now I give my only son the space to find his way
And celebrate the future on his Graduation Day

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

RISING FROM THE STORMS

August

25 Hurricane Katrina strikes Florida.

28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.

29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breeched, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.

31 President Bush surveys the damage.

September

1 30,000 National Guard troops are deployed. Gas prices spike to as high as $5 per gallon.

2 President Bush visits Louisiana and signs a $10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.

4 The New Orleans Superdome is evacuated.

6 President Bush and Congress pledge to investigate the flawed disaster response.

9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.

12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.

14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.

15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.

20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.

22 Rita hits the Louisiana coast and heads for Texas.

23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.
